The above text will fade in and out, the font colour will be green and will be the Batang font. The font will be the same throughout the video. The colour of the background will be black. This will take around 10 seconds. The backing song throughout the movie will be Running by Chase and Status.

The above videos will then fade in and out, they will be in fast forward to show more information quickly and will be trimmed to only show a small selection of the video. The first video will last for around 2 seconds, as will the second and last.

The above text will fade in and out, this will take around 5 seconds. The background colour will be black.

The above text will be overlaid over the video fight. This will last 10 seconds.

The above text on the left will be overlaid over the video uniform bad, this will then fade out to the video uniform good with the above text on the right overlaid. Both of the videos will last for 2 seconds.

The above text will be overlaid on the video classentrygood. The video will have the hue effect on it to make it more interesting. This will last for 20 seconds.
